

Outdoor Sketching Scavenger Hunt

Draw or describe each of the following while out on a responsible and respectful nature walk in your neighborhood.

A bird	Evidence of a wild animal	A sound that you heard
An interesting smell	Something orange	Something that has the letter "a" in it
Something moving	A part of an animal's habitat	Something that eats plants
Something with a rough texture	Something that surprised you	An animal that made a sound
Something wet	Something in the sky	Something new

Earth Day Bingo

How many activities can you complete to help the Earth?

Draw a plant or animal	Avoid disposable dishware for a week	Try to identify a local bird call you hear	Research a native plant	Have no food waste for a week
Watch a nature documentary	Try to regrow food like green onions or celery	Start a compost bin	Have a day free of technology to save energy	Donate to an Earth friendly cause
Fill-in-the-blank: _____ _____ _____ _____	Avoid bottled water for a week	You are a part of Earth so take this FREE SPACE	Have a meal with more plants	Take a shower in 5 minutes or less
Lower your thermostat or air conditioning to save energy	Repurpose an item you were going to throw away	Hang your clothes to air dry to save energy	Make your own nontoxic cleaner	Talk to someone about the importance of taking care of the Earth
Go outside and appreciate nature	Commit to at least one of these to keep as a lifestyle change	Learn about a current environmental threat	Keep lights off in unused rooms	Have a week where you make no purchases
