When you purchase an auction item or make a donation during the Fund-A-Need, your support is lifesaving. Because of you, vulnerable cats, dogs, and wild animals will get the second chance they deserve.

We offer several payment options for your convenience:

When you arrive at the event, you'll be asked to provide a credit card which will be linked to your bid number. By default, payments for purchases and donations made during the event will be automatically charged to the card on file the Tuesday after the event if no alternative payment arrangements have been made.

To make alternative payment arrangements, please contact Director of Philanthropy & Events Andi Anderson at 425-772-8271 or aanderson@paws.org.
